

Caring Ministry Annual Report 2008

I would like to report on some of the activities for the year 2007.

Communion Potluck

Our monthly Communion Potlucks are still going strong under the leadership of Chuck Greenacre. Our potlucks have provided a wonderful space for us to relax and enjoy each other's company and, of course, dishes.

Young@Heart

Our Young@Heart ministry is focused specifically to provide opportunities for the different generations to get together. This is an ideal opportunity to learn from each other and to do some things together. We had a lot of fun this year and at our annual camp/picnic at Ridgway State Park we had time to visit with each other and just have a good time. Our leader for 2008 for the Young@Heart is Cindy Heine.

Dine-Out

We had a couple of successful dine-out nights for the adults. Dominick LaJoy will take the leadership for 2008 in this area of the ministry. You are welcome to make suggestions to him for possible places to dine out this year.

O' Brother

We were able to help a couple of people this year. It's a very important area where we try to help other members, for example with transport and visitation. Robyn Hill will be our leader for 2008.

Building and Grounds

Maintaining our building and grounds needs many volunteers. Walt Hill has agreed to head up this part of Caring Ministry. Probably the most significant project this past year, apart from the usual maintenance, is transforming our two downstairs bathrooms into one handicap-friendly one. In the process we also added another one to the upstairs. This way the Boys and Girls Club has access to the upstairs bathrooms. Our garden is taking care of by Jim Hedley, Jennifer Lynn and Lois Latimer at the moment. Thanks to all their hard work.

Our new Caring Ministry leader for 2008 will be Cindy Heine.

Thanks,
Ellie DuToit
